WILLIAM WOOD

BRIAN STARLEY

WITH GUEST SPEAKERS

A Global Awakening Associate Evangelist, **William Wood** is also a graduate of the Global School of Supernatural Ministry and founder of the Relentless conference. In 2005, William Wood had a dramatic encounter with God where he was supernaturally delivered from alcohol and drug abuse. Since this encounter, he has had a passion for revival and for seeing people step into the fullness of what Christ paid for on the cross.

Brian Starley's deepest conviction is to make room for the presence of God, and to honor what He's doing above all else. He desires to train others to abide in the place of deep intimacy with the Holy Spirit, and to equip the church for the operation of signs and wonders, in order that we may declare the fullness of the gospel with word and power. He began ministering at 15 years of age, following a supernatural encounter with Jesus which marked his life.
