

MOTION has never been about a conference; it's never been about lights, bands, or speakers. It's always been about one thing: ***a generation of young people, empowered by Jesus, putting their faith into MOTION every day.***

We see a world that is restored by His love, rooted in His Word and reflecting His light. It is our prayer that students and youth leaders leave the conference refreshed, equipped, and inspired to be released and live their lives in MOTION at home, in the local church, in their cities, and around the world.
