## Daily Campus Prayer Times

We are **seeking Jesus** for our families, our church, our communities and beyond, and **asking for His glory and presence to abide** in our lives and our services. **We are making deposits in prayer** daily, so that people can come in and make withdrawals that change their lives because of the presence of God. We believe that being with Him and in His presence is the highest goal and priority for our church, and everything else we are wanting to see and experience is a result of seeking the first great commandment - to love the LORD with all of our heart, soul, mind and strength.

"Confess your trespasses to one another, and pray for one another, that you may be healed. The effective, fervent prayer of a righteous man avails much." James 5:16
